**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have a small business in Sebastopol California.

I already pay extra for broadband to a local DSL provider, Sonic.net.

I am willing do this because the service is superior.

I am opposed big corporations pushing out the local providers. It may be profitable for them but It leaves us stuck with being at the mercy of corporate decisions that don't help us.
